## Faith

Jesus of Nazareth was born of a virgin. In the short time of His ministry, He performed many miracles. He healed the sick. He raised the dead. He calmed the stormy sea. He gave sight to the blind. He fed a multitude of people with two fish and five loaves of bread, and He changed water into wine. He loved and cared for those around Him, even those who would betray and deny Him. Jesus died on the cross at Calvary, but arose from the dead and ascended into heaven. He now sits at the right hand of God and intercedes for us when we fail.

How do we know these things? Well, we have heard them from others or we have read them in the Bible. How do we know these stories are true, and that the Bible is the inspired Word of God? FAITH

Faith is a firm belief in something for which there is no proof, or something not yet proven. Faith is complete trust. Faith is sincerity of intentions. Faith is the belief that we should live our lives using the example set by Jesus.

Easter is upon us. It is the time we celebrate the resurrection of Jesus. We celebrate Easter because we have faith. Easter is also a time of new beginnings and renewal. It is a time we can begin, or continue, to put our faith into action and use the example Jesus gave us.

Visit an elderly person in your neighborhood or in a nursing home. Shop for a disabled person who is unable to get to the store. Relieve a primary caregiver so they can get out for a few hours. These are just a few of the ways you can put your faith into action. For more information or ideas on how you can help, call us for a free copy of our brochure Faith In Action Caregivers Alliance. Faith can change your life, but more than that; it can change the lives of others.

## MAYS MISSION RECEIVES GRANT FROM FRANCIS A. SINES & ADELINE M. SINES MEMORIAL FUND

Heber Springs - Mays Mission for the Handicapped has received a generous grant from the Francis A. Sines & Adeline M. Sines Memorial Fund of the Community Foundation of Broward County, Florida for assisting individuals with disabilities and promoting public awareness on the potential of people with disabilities.

Mays Mission will use the grant to help fund its scholarship program for students with disabilities who are studying for a bachelor's degree. This program is a critical part of our organization. It teaches the importance of education, not just for those with disabilities, but for all.

"Scholarship opportunities for individuals with disabilities lag behind for those students who do not have a disability. We thank the Francis A. Sines & Adeline M. Sines Memorial Fund of the Community Foundation of Broward County, Florida for helping to make this college opportunity possible", said Sherry Niehaus, executive director.
